

A vibrant, stylized illustration of an underwater scene. The background is a deep purple with wavy green lines representing water currents. Various sea creatures are depicted: a large blue whale on the left, a pink octopus in the top left, a jellyfish with white and blue stripes in the top center, a red starfish in the top right, a green turtle in the bottom left, a red lobster in the bottom center, and a green squid in the bottom right. Several small, colorful fish are scattered throughout the scene. The title 'The Magic Underwater' is written in a large, white, serif font in the center.
